### Parking

Parking is limited in Annapolis. There is no parking at the office. The closest parking garages to the Annapolis Office are the Knighton Garage, Whitmore Garage and the Gott's Court Garage. See map above for garage locations.

#### *Knighton Garage*

From Calvert Street - turn right onto West Street. From West Street, turn left on Colonial Drive. (This turn is located right before the restaurant Lemongrass - a yellow building).

*Whitmore Garage* – 410-269-0014

From Calvert Street, turn right turn onto Clay Street. Turn left into the garage

*Gott's Court Garage* – 410-263-9749

From Calvert Street, just past the pedestrian crosswalk, turn left into Gott's Court Garage

To reach the office from Gott's or Whitmore Garage, walk directly up Calvert Street from the parking garages to the intersection with West Street. Cross the intersection and continue walking on what is now Cathedral Street. The office is a brown brick building on the right side of the road. To reach the office from Knighton Garage, walk toward Church Circle on West Street (if you're standing at Colonial Avenue coming out of the garage, make a right onto West Street). At the intersection with Cathedral Street, turn right and continue walking til you reach a brown brick building on the right side of the road. The entrance to the building is around to the side. The UMCES ASC is located on the third floor.
