# ON CAMPUS USE ONLY (The Fish Truck)

- This truck is perfect for helping transport equipment or materials across campus.
- There is no charge to rent it, please reserve it when needed.
- This truck is perfectly safe to operate, but due to its age and exposure to salt water it is a bit rusty, which is why we have it marked for on campus use only. This truck is to remain on campus at all times. If you need to travel in town please rent another truck from the rental fleet.
