

CURRICULUM VITAE**Victor S. Kennedy**

Professor Emeritus, Chesapeake Biological Laboratory
 UM Center for Environmental Science
 Solomons, MD 20688

Phone: (410) 586-0335

Email: kennedy@umces.edu

Education

1962 B.Sc. Sir George Williams University, now Concordia University, Montreal, Canada.
 Zoology.

1964 M.Sc. Memorial University, St. John's, Newfoundland, Canada. Fisheries Biology.

1970 Ph.D. University of Rhode Island, Kingston, RI, U.S.A. Ecology.

Professional Background

2016 (Fall) Visiting Professor, Semester at Sea, Colorado State University

2014-present Professor Emeritus, Horn Point Laboratory; at Chesapeake Biological Lab. since 2017

2011 (Spring) Visiting Professor, Semester at Sea, University of Virginia

2008 (Spring) Visiting Professor, Semester at Sea, University of Virginia

2006- 2009 Director, Ecosystem Restoration Institute, UMCES

2002-2003 Director, Cooperative Oxford Laboratory, Oxford MD

1996-2003 Director, Multiscale Experimental Ecosystem Research Center, an EPA Exploratory
 Research Center

1993 (Fall) Visiting Professor, Semester at Sea, University of Pittsburgh

1989-2001 Assistant Director, Horn Point Laboratory

1983-1984 W.F. James Fellow, St. Francis Xavier University, Nova Scotia, Canada

1976-2014 Assistant Professor (1976-1981), Associate Professor (1981-1986), Professor
 (1986-2014) Horn Point Laboratory

1974-1976 Post-doctoral Fellow, Environment Canada, Newfoundland Biological Station,
 St. John's, Newfoundland, Canada.

1973-1974 Post-doctoral Fellow, Department of Zoology, University of Canterbury,
 Christchurch, New Zealand.

1972-1973 Research Associate, University of Maryland, Chesapeake Biological Laboratory,
 Solomons, MD.

1970-1971 Visiting Assistant Professor, Biology Dept., Chapman College, Orange, CA.

Research areas

Historical fisheries and ecology. Global climate change. Reproduction and larval behavior and
 ecology of bivalves. Crab and fish foraging behavior. Ecology of littoral and sublittoral benthic
 communities.

- 2003-05 Assessing the potential for natural predators to control the spread of the Suminoe oyster, *Crassostrea ariakensis*. Maryland Sea Grant. Co-PI
- 1996-03 Administration of the MEERC [Multiscale Environmental Ecosystem Research Center] Program, an EPA Exploratory Research Center

Memberships in Professional Societies

- Atlantic Estuarine Research Society. Member-at-Large, 1981-82; President-Elect, 1983-84; President, 1984-86; Past-President, 1986-87; Honorary Member 1997
- Estuarine Research Federation. Member, Governing Board, 1984-86; Chairman, Publication Committee 1985-1989; Co-Chair, Poster Committee for ERF 2005; Member, Program Committee for ERF 2005
- Marine Biological Association of the United Kingdom (life member)
- National Shellfisheries Association. Member-at-Large, 1983-86; Vice-President, 1988-1989; President-Elect, 1989-1990; President 1990-1991; Past President 1991-1992; Honored Life Member 1995

Editorial Activity

- Senior editor of The Soft-Shell Clam *Mya arenaria*: Biology, Fisheries, and Mariculture. American Fisheries Society, Bethesda MD. 2023.
- Co-Editor of Ecology and Conservation of the Diamond-backed Terrapin. Johns Hopkins University Press. 2018.
- Co-Editor of Enclosed Experimental Ecosystems and Scale: Tools for Understanding and Managing Coastal Ecosystems. Springer, New York. 2009
- Senior editor of The Blue Crab, *Callinectes sapidus*. Maryland Sea Grant. 2007
- Co-Editor of Scaling Relations in Experimental Ecology, Columbia University Press. 2001
- Senior editor of The Eastern Oyster, *Crassostrea virginica*. Maryland Sea Grant. 1996
- Editorial Board of the American Malacological Bulletin (1993-2003)
- Science Editor of the Transactions of the American Fisheries Society (1986-1991).
- Editor, Proceedings of the 1979 (Estuarine Perspectives; 41 peer-reviewed papers), 1981 (Estuarine Comparisons; 43 papers), and 1983 (The Estuary as A Filter; 22 papers) Biennial Meetings of the Estuarine Research Federation, all published by Academic Press.
- Associate Editor of the journal Estuaries (1976-79).

Awards

- Excellence in Fisheries Education Award, Tidewater Chapter of the American Fisheries Society 2013
- Graduate Education Award for Excellence in Teaching and Dedicated Service, MEES Graduate Student Organization 1999
- Honorary Member, Atlantic Estuarine Research Society 1997
- Honored Life Member Award, National Shellfisheries Association 1995
- Distinguished Service Award, American Fisheries Society 1992
- Selected in a competition as W.F. James Fellow by St. Francis Xavier University, Canada to support 1983-84 sabbatical leave

Thurlow C. Nelson Award from the National Shellfisheries Association for exceptional research on shellfish by a junior investigator 1968

University of Maryland Courses Taught

MEES 621 Biological Oceanography. Taught the benthic ecology component yearly from 1987 to 2013
 MEES 608D Scientific Writing and Communication. Taught 339 graduate students from 1987 to 2012.
 Received the 1999 Graduate Education Award for Excellence in Teaching and Dedicated Service (MEES Graduate Student Organization) for teaching this course and others.

External courses taught

Colorado State University, Semester at Sea Program. Fall 2016. Oceanography (2 sections), Coastal Environmental Ecology.
 University of Virginia, Semester at Sea Program. Spring 2011. Three courses (Marine Biology, Introduction to World Biomes, Human Effects on Coastal Systems).
 University of Virginia, Semester at Sea Program. Spring 2008. Three courses (Biological Oceanography, Introduction to World Biomes, Human Effects on Coastal Systems).
 University of Pittsburgh, Semester at Sea Program. Fall 1993. Three courses (Global Environmental Issues, Marine Biology, Introductory Ecology).
 St. Francis Xavier University, Antigonish, Nova Scotia, Canada. 1983. Topics in Aquatic Ecology (for senior undergraduates).
 University of Canterbury, Christchurch, New Zealand. 1974. B.Sc. (Hon.)/M.Sc. Seminar in Marine and Estuarine Ecology.
 Chapman University, Orange, CA. 1970-71. Three undergraduate courses (Marine Biology, Life Science, Environmental Biology) during 2 semesters on World Campus Afloat (predecessor to Semester at Sea) and 1 on the land campus.

Graduate Students Supervised as Major Advisor or Co-Advisor*

Name	Degree	Date	Thesis topic
Momoko Ishikawa	M.S.	2012	Comparative oyster management in Japan and Maryland
Marina Carreiro-Silva*	Ph.D.	2007	Coral reef borers and pollution
William Walton*	Ph.D.	2003	Ecology of the introduced green crab <i>Carcinus maenas</i>
Peggy Derrick	M.S.	1994	Feeding behavior of the hogchoker (a sole)
Ann Barse	Ph.D.	1994	Ecology of fish gill parasites
Elizabeth Ebersole	M.S.	1992	Blue crab foraging behavior
Karen Sundberg	M.S.	1991	Bivalve larval settlement
Gretchen Roe Messick	M.S.	1988	Blue crab diseases
Marnita Chintala	M.S.	1987	<i>Stylochus ellipticus</i> reproduction
Steve Jordan*	Ph.D.	1987	Oyster biodeposition
Jay Blundon	M.S.	1981	Blue crab predation on bivalves
Judith Connor	M.S.	1979	Microalgae on oysters

International Experience

Visited 48 countries around the world while teaching for six semesters in an innovative seagoing university program managed by Chapman University (voyages during 1970 and 1971), University of Pittsburgh (1993), University of Virginia (2008, 2011), and now by Colorado State University (2016).

Presented an invited lecture in December 2007 at an International Symposium on the Rehabilitation of Ariake Bay organized by Kyushu University in Fukuoka, Japan.

Presented invited lectures in 1993 at the University of Madras and the Centre of Advanced Study in Marine Biology, Annamali University, India.

North American member of the organizing committee of an international conference on estuarine and coastline pollution held in Fukuoka, Japan in 1987. Lectured at National Taiwan University and to the Marine Biological Association of Hong Kong at Hong Kong University.

Spent 2 weeks in France in November 1978 visiting marine laboratories on behalf of the University of Maryland Sea Grant Program as part of an effort to establish liaison between French and Maryland scientists.

Have conducted research in Canada, New Zealand, and the United States
